I hereby agree with the following terms and conditions of using Visual Analysis of People (VAP) RGB-D-T Facial Database:

- I am not allowed to redistribute the database to any third parties.
- I confirm that granting access to the database can only be done through VAP lab.
- I confirm that the VAP RGB-D-T Facial Database will be used only for research purposes and not for commercial ones.
- I should not reveal the real names of the subjects, in case I know any of them.
- I accept to indemnify Aalborg University against any claims from the subjects resulting from my breach of these Terms of use.
- I'll cite the following work in all of my publications which use the VAP RGB-D-T database: Olegs Nikisins, Kamal Nasrollahi, Modris Greitans, and Thomas B. Moeslund, ***RGB-D-T based Face Recognition***, International Conference on Pattern Recognition (ICPR), Sweden, 2014
