# Multimodal Intensity Pain (MIntPAIN) Database

(<http://www.vap.aau.dk/mintpain-database/>)

By signing this document, the user who will make use of the database agrees to the following terms.

### 1. Commercial use

The user may not use the database for any nonacademic purpose. Nonacademic purposes include, but are not limited to:

- proving the efficiency of commercial systems
- training or testing of commercial systems
- using screenshots of subjects from the dataset in advertisements
- selling data from the dataset
- creating military applications
- developing governmental systems used in public spaces

### 2. Responsibility

This document must be signed by a person with a permanent position at an academic institute (the signee). **Up to five other researchers** affiliated with the same institute for whom the signee is responsible may be named at the end of this document which will allow them to work with this dataset

### 3. Distribution

The user may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Only data from subjects who gave consent to have their data visually illustrated in publications and presentations may be used for this purpose. Note that publications will have to comply with the terms stated in article 5.

### 4. Access

The user may only use the database after this End User License Agreement (EULA) has been signed and returned to the database administrator mentioned in the database web portal either by post or by email. The user may not grant anyone access to the database by giving out their user name and password.

### 5. Publications

Publications include not only papers, but also presentations for conferences or educational purposes. **The user may only visually illustrate the data of subjects in publications if that particular subject has explicitly granted permission for this.** The list of the subjects who granted permission to visual illustration is provided in the 'readme\_data\_description.txt' file. The use of this database in any publication should be appropriately cited the root publications listed in the 'readme\_data\_description.txt' file.

## 6. Academic research

The user may only use the database for academic research.

## 7. Warranty

The database comes without any warranty. The MIntPAIN database creators or administrators cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the database.

## 8. Misuse

If at any point, the administrators of the MIntPAIN database have a reasonable doubt that the user does not act in accordance to this EULA, he/she will be notified of this and will immediately be declined the access to the database.
